I forward herewith for the orders of Government the applications received from the Director, St.Joseph's Leprosy Hospital and Asylum, Kankanady for the payment of capitation grants due to the institution for the quarters ending 31-3-1952, 30-6-1952 and 30-9-1952 together with the statement showing the daily average number of in-patients treated in the institution during these quarters and also the Inspection Reports of the District Medical Officer, South Kanara.

2. It will be observed from the Inspection Reports that the institution has satisfied the revised conditions of grant laid down in G.O..Ms.No.546 Health dated 19-2-1952 with the exception of conditions Nos.3 and 13 therein. condition No.3 of the above conditions has been relaxed in favour of the institution in G.O.Ms.No.1593 Health dated 16-5-1952. This is applicable only upto the quarter ending 31-3-1952 and will not cover subsequent quarters in the current year. Non-infective cases are still being maintained as in-patients in the institution in excess of the limit laid down in the condition though their numbers are not included in the daily average statements. No grant is claimed in respect of them. The question of amending this condition is under the consideration of Government - Vide Memo.No.16463-L/52-2 Health dated 22-8-52.

3. As regards condition No.13 the authorities of the institution were requested to take action to constitute the Advisory Committee and to hold a meeting as early as possible. No further action is called for on this point.

4. In the circumstances I recommend that capitation grants due to the institution for the quarter ending 31-3-1952 and for the four subsequent quarters in the current year may kindly be ordered to be disbursed by me as and when they fall due.

5, The amount of capitation grant payable to the institution for the quarters ending with 31-3-1952 and 30-6-1952 is Rs.2,808/- for each quarter calculated at the rate of Rs.9/- per mensem per patient for 104 patients for 3 months and Rs.2,916/- for the quarter ending 30-9-1952 on the above basis.

6. The expenditure will be debited to "38.Medical-b. Hospitals and Dispensaries-G.Grants to private medical institutions - I.Ordinary Areas - 2. Capitation grants to leprosy asylums.

7. The original enclosures sent herewith may kindly be returned along with the orders of Government at an early date.

Present:-

Sri C.A. Ramakrishnan, I.C.S., Dist. Collector.
Dr. C.S. Ramachandra Pai, Dist. Health Officer, Mangalore.
Dr. U.Marutha Rao, Asst.Dt. Medical Officer, (Representing the D.M.O.) Mangalore.
Rev. Rag. Pinto, Director

Dr. A.F. Coelho, Medical Officer, on request.

The members went round the Hospital, and saw the in-patients None of the in-patients in the Leprosy wards had any complaints or representations to make.

There are some non-infectious cases which are receiving surgical treatment. It is represented by the Fr.Director and the Medical Officer that a number of non-infectious cases are seeking admission for treatment, and they request a liberal consideration of the restrictions regarding admission of such cases. At present these cases are not entitled to any capitation grants. This is a hardship to the Institution.

The Committee is favourably impressed with the horticultural work that is being done by the in-patients of the leprosy wards. The Committee recommends to the District Collector to make a grant to the Institution from his discretionary funds, to help the furtherance of the work.

The extensions of the In-patients wards are almost complete and it is hoped that they will be formally opened soon.

The Committee is highly impressed with the excellent work towards leprosy treatment that is being done by the Institution. Dr.A.F. Coelho has completed 27 years of service in this institutior in the cause of leprosy, and the Committee expresses its high appreciation of his work.
